Great show, docs

Warmest congratulations to conductor Mark Hodgkinson, soloists Duncan Watts and Vanessa Souter and members of the New Zealand Doctors' Orchestra on their splendid concert held in The Piano on Sunday (June 11).

That the orchestra played a

really challenging programme so well, is remarkable given that, most understandably, there was only a limited rehearsal time available to them.

More Govt funds needed

The Government found \$26m for a flag referendum not many wanted, without any trouble at all. Can't they find some more funding out of the vast amount of money they have taken out of Christchurch since the earthquakes and make a
